### **FOIA REQUEST**

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of a list of police agencies in New Jersey participating in the 1033 program. In addition, I request access to data that includes all of the equipment given to those 1033 participating New Jersey police agencies going back to the program's inception. I also request the most recent audits for every 1033 participant in New Jersey.

I would like to receive the information in an electronic format in a CD-ROM or email if the files are small enough. The data preferably in csv or xls form (although MDB files would also be fine). If any of the records like the audits are only available on paper form, then I would take them in PDF format.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$60. However, please notify me prior to your incurring any expenses in excess of that amount.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

Sincerely,

Carla Astudillo
